Dear Campsite Owner or Manager

This letter serves to introduce our Campsite assessors, who are touring your area to update our records.

To allow our assessors to review your Campsite thoroughly, we would be grateful if you would provide them with a free overnight pitch.

You can confirm the identity of the assessor on our website:

<https://alanrogers.com/about/campsite-assessors>

Listing your Campsite on our website is free; you can upload images and review your data, through our campsite portal. There is also the option to promote your Campsite further, through an enhanced listing.

Alan Rogers are also the leading UK publishers of independent Campsite Guides, featuring the Campsites which we consider the best throughout Europe. There are further opportunities to advertise in our guides, with half and full-page advertisements available.

Details of the advertising opportunities can be found here:

<https://alanrogers.com/about/advertising-services>

We look forward to continuing our mutually beneficial relationship.

Yours sincerely
