

Before you leave the Gers be sure to stock up on its culinary classics!
Fleurons de Lomagne brings you foie gras, confits, wine and Armagnac from the region's best producers: Gascon products for any gourmet!

Fleurons de Lomagne draws on the skills and experience of the local craftsman which have been passed down from generation to generation. For 20 years this family business has been working with the best preservers, confectioners, and wine and liqueur producers to bring their quality products to you in Lectoure, Condom, Agen and Moissac.

And when the fond memories persist, long after you get home, you can always order through
