AWARD WINNING TRANQUIL RETREAT FOR THE GROWN-UPS

Waterrow, Bouchers Farm, Wiveliscombe, Somerset, TA4 2AZ

www.waterrowpark.co.uk Telephone 01984 623464

Reception

Our small “essentials” shop opens varying hours depending on the time of year. The local town Wiveliscombe is 3 miles away and has all of the necessary shops available (butchers, chemist, supermarket, etc)

Barn

All of our facilities are located in our barn, these include toilets, showers, wet room (RADAR key required), freezer, microwave, laundry facilities (washing machines, tumble dryers, iron and board), information centre including map, where to eat and bus timetable. Toilet and shower facilities are closed for cleaning daily, which is usually between 11.00am and 12:30pm - the toilet just outside arrivals area will be available for use during these times.

Pitch Availability

Due to our one way entry/exit system pitches are available from 12:30pm and must be vacated by 11.30 a.m. on the day of departure. If you wish to stay on your pitch after this time, please ask on that morning if it is possible. If you do stay on we do ask you to make a small contribution to our charity - Air Ambulance. Electric heaters in awnings are NOT allowed.

Park Maintenance

We work hard to maintain a high standard at Waterrow - please help us by keeping your pitch tidy and using the facilities provided for disposal and re-cycling of all waste. Clothes drying facilities are provided in the barn - washing lines, other than those attached to the window of your caravan/motorhome, are not permitted. In order to keep our standards of a five star adult only caravan park we are unable to allow flag and flag poles, as we feel this makes the park look like a family site. PLEASE USE BREATHABLE GROUND SHEETS ON THE GRASS.

Wireless Internet Connection

We do offer free Wi-Fi on the caravan park, the SSID code to connect to is Waterrow_Free_WiFi – there is no password, you just need to click OK to accept T&C's. We do also offer fibre broadband and the costs are shown on our tariff.

Dogs

Your dogs are welcome, a maximum of three per pitch, but must be kept on a short lead at all times, except in the dog walking areas. Please clear up after your dog wherever you are on the Park, using the bins provided. Please do not leave dogs unattended in your caravan/motorhome for any length of time and do not allow your dog to upset or annoy other people. We will ask anyone causing unacceptable behaviour to either modify it or leave the Park.

TV booster system

As the TV reception is poor, we have a TV booster system on every pitch. If you have a aerial coax cable, please bring it with you, otherwise we sell them for £15 (25m length)
